

新年あけましておめでとうございます

本校は、昨年3月に法務省告示日本語教育機関の認定を受け、10月1日より21名の一期生を迎えスタートしました。

「正確な情報交換と協働ができる人物の育成」という教育理念のもと、「善さの追求」を学ぶことの本質に据えながら、学校環境を整え学生の皆様に日本語教育を提供することに取り組んでいます。

関係各位のご厚情に感謝申し上げるとともに、在校生の成長と4月期生の入学を祈念し新年のご挨拶とさせていただきます。

本年も宜しく願い申し上げます。

Happy New Year

Last year our school was certified as a Japanese language education institution by the Ministry of Justice in March, and started on October 1st with two classes of 21 students.

Doing our best to create a fulfilling school environment, we have committed to providing Japanese language education to students with the educational philosophy that we will foster people who can exchange accurate information and collaborate with each other, while placing the "pursuit of goodness" at the essence of learning.

I would like to express our gratitude to all the people it may concern for their kindness. I hope for the steady growth of our students and look forward to the enrollment of the April class.

We are sincerely looking forward to your continued support this year.
